CPPT Program

Post Certification Requirements:

After completing the CPPT Certification Program everyone **must complete 10 Continuing Education Units annually or 30 Continuing Education Units over three years to maintain your CPPT Certification.** An FPPTA Trustee School is worth 10 units and any other educational function attended is worth **5 units** either with the FPPTA or an approved outside educational conference. We have presently approved participation in the NPEA, NCPERS, and the Florida Division of Retirement; "Police and Firefighters Trustee's School", International Foundation of Employee Benefit Plans Annual are on the approved list.

Each recipient will be monitored yearly to insure that CPPT related education is in fact continuing. **You are required to attend at least one FPPTA function per year.**

Post Certification Requirements will be monitored on a calendar year basis beginning in January 2000. CEU requirements start from the date you achieve Certification.

Starting January 2006 there will be a \$100 re-certification fee. This will be every three years starting after your first three years being certified. There will be no exam for re-certification.
