## CPPT Program

### Post Certification Requirements:

After completing the CPPT Certification Program everyone **must complete 10 Continuing Education Units annually or 30 Continuing Education Units over three years to maintain your CPPT Certification.** An FPPTA Trustee School will be worth **10 units** and any other educational function attended will be worth **5 units** either with the FPPTA or an approved outside educational conference. We have presently approved participation in the NPEA, NCPERS, International Foundation of Employee Benefit Plans, and the Florida Division of Retirement including “Police and Firefighters Trustee’s School” and the Orlando Conference.

Each recipient will be monitored yearly to insure that CPPT related education is in fact continuing. **You are required to attend at least one FPPTA function per year.**

Post Certification Requirements will be monitored on a calendar year basis beginning the day you pass the advanced exam.

### Re-Certification Fee:

Every three years after certification, there will be a recertification fee of \$100. Three years after your date of certification the FPPTA office will forward an invoice for your convenience.
